Save Space in the Kitchen

Bring your Tablet into the kitchen without giving up space on the counter so you can enjoy watching TV, read cooking recipes or listen to music. The Kitchen Cabinet Mount is a great way to save space by safely suspending your tablet from any cabinet or shelf.

No Tools Needed

No tools or hardware are needed and no permanent installation is required. Simply attach the mount using the secure adjustable clamp. It can be easily repositioned to fit different cabinet and shelving units, or removed for storage.
